

Budget for Higher Cyber Insurance Premiums As Claims Skyrocket

[Download Now](#)

Dear valued client,

One of the things to include in your 2022 IT Budget is higher cyber insurance premiums. It's also harder to qualify for cyber insurance due to all the recent claims.

[How To Qualify for Cyber Insurance As Claims Skyrocket](#)

This paper includes specific actions we advise our clients to take so they can reduce their risk profile, qualify for a policy, and get a more reasonable premium. Insuring what you can't protect is part of IT budget planning.

I hope you find this paper useful. We've been helping clients operate their IT securely for 23 years and are glad to share our insights.

Sincerely,

Ken Brantley, Director of Strategic Accounts
