

# Budget For Video Conference Rooms in 2022

[Download Now](#)

Dear valued client,

Your company will continue to use video conferencing even if everyone returns to the office — other companies will continue to work remotely. When video-conferencing rooms are designed to your best advantage, you'll have better meetings.

## [What's the Best Way To Convert Meeting Rooms to Video Conferencing Rooms?](#)

This paper looks at how to convert different types of rooms and suggests the types of technologies and consultants that can help you put your best foot forward.

I hope you find this information useful. Leapfrog Services has been helping clients optimize and manage their IT for 23 years.

Sincerely,

**Ken Brantley**, Director of Strategic Accounts
